## IT'S YOU (BEACON)

Written by Terry Manning (Mud Bluff Music, BMI)

Looking through a window into time  
Dreaming of the love that would be mine  
Wishing that the dream would all come true of you

All the nights are fading into days  
All the skies are clouded misty greys  
But now and then a star is shining through and it's you

And I know what love would be  
If all the world were mine  
And I know that you can see  
This light that shines over time  
Shining out to the one I love

It's you  
I know it's you

Falling through a window out of time  
Wishing that the stars would make you mine  
Never knowing where or how or when we begin

And I know what love would be  
If all the world were mine  
And it's so that you shall see  
This light that shines, over time  
Shining out to the one I love

It's you  
I know it's you

Terry Manning vocals, guitars, bass, pianos, harpsichord, mellotron,  
cello  
Wally Ingram drums

## HEAVEN KNOWS

Written by Terry Manning (Mud Bluff Music, BMI)

Across the universe with you  
So it goes  
Beyond the farthest star for you  
Heaven knows  
Heaven knows

Into the darkest night with you  
Don't let go  
Beneath the deepest sea for you  
So it goes  
Heaven knows

In my soul it's my prayer  
You'll know I want you  
And the love that you share  
Comes back to haunt you

Forever paradise with you  
Make it so  
Reflections in my eyes of you  
So it goes  
Heaven knows

Terry Manning vocals, guitars, bass, drums, pianos,  
violin, viola, cello  
Christine Gangelhoff flutes

## LOOK AT ME (EVERYTHING ABOUT YOU)

Written by Terry Manning (Mud Bluff Music, BMI)

Look at me, hear my heart  
Everything about you shakes my world apart

Every time I see your face  
I hold my breath, just in case  
I just cannot live without you

Look at me, feel my soul  
Everything about you makes me lose control

Every time I hear your voice, I cross my heart  
I have no choice  
I just cannot live without you

Now I see what life is for  
Now I can open the door, to my soul

Yeah, every time I see your face  
I hold my breath, just in case  
I just cannot live without you

Look at me, see my eyes  
Everything about you takes me by surprise

Every time I touch your hand, I feel your power  
I understand  
I just cannot live without you

Terry Manning vocals, guitars, bass, keyboards, strings  
Christine Gangelhoff flute  
Christian Justilian flugelbone  
Jean Nadeau drums

## WHERE ARE YOU

Written by Terry Manning (Mud Bluff Music, BMI)

I would go anywhere with you  
If you could know what's in my heart  
But all of the days all alone wasting time  
Waiting for your call  
All the nights on my own  
Never sleep at all

Where are you

I could give everything to you  
If you had known me from the start  
Now all of the time without you in my life  
Leaves an empty hole  
All the sounds all the sights  
Never let you know

Where are you now

And when I can see you  
Only then can I see  
But I can never touch you  
It's too much to make you see

I could bring such a life to you  
If you were not a world apart  
But deep in our souls there's a song playing on  
And we know the tune  
There's a light at the dawn  
And the sun comes soon

Where are you

Terry Manning vocals, guitars, bass, electric piano, drums  
Christine Gangelhoff flutes

## THINGS ARE GONNA BE FINE

Written by Terry Manning (Mud Bluff Music, BMI)

Things are gonna be fine  
We're just taking our time  
All the foolish little things I said  
Are gone forever from my head

Things are gonna be good  
Hope my heart's understood  
With every single little thing I do  
I'll try to make it up to you

I thought about the things you said  
I know my love is strong

Things are gonna be right  
If you give me your life  
With every single little move I make  
I'll try to take your breath away  
Know I'll touch you every day  
Everything is gonna be okay

Terry Manning vocals, guitars, bass, strings, keyboards  
Bill Dobrow drums  
Tino Richardson alto saxophone

## GOD ONLY KNOWS

Written by Brian Wilson and Tony Asher (Irving Music, BMI)  
Additional lyrics by Terry Manning

I may not always love you  
But long as there are stars above you  
You never need to doubt it  
I'll make you so sure about it  
God only knows what I'd be without you

If you should ever leave me  
Though life would still go on . . . believe me  
The world could show nothing to me  
So what good would living do me  
God only knows what I'd be without you

God only knows what I'd be without you

And when life would once forsake us  
Time turn around and overtake us  
My love will leave you never  
For you're in my soul forever  
God only knows what I'd be without you

God only knows what I'd be without you

Terry Manning vocals, piano  
Christine Gangelhoff alto flute

## OH MY LOVE

Written by Terry Manning (Mud Bluff Music, BMI)

Oh my love, you're on my mind  
I'm thinking about you all the time  
Early morning, see the dawning, you are in my heart  
All the day long, feelings so strong, hate when we're apart

Oh my love what can we do  
Let's take a train down to Peru  
Trek the Andes, eating candles, watch a sunset view  
Up at sunrise, hear the birds cry, all the skies are blue

Oh my love

A rose, a song, a shining star  
A whisper on the wind  
A firefly glowing in the dark  
A perfect day, again

Oh my love, want you to know  
What's in my heart and in my soul  
Years of waiting, years of hiding everything I feel  
Days of wanting, nights of yearning, knowing what is real

Oh my love

Oh my love you're on my mind  
Thinking about you all the time  
Every evening, get that feeling, you are in my heart  
All the day long, love is so strong, hate when we're apart

Oh my love

Terry Manning vocals, guitars, bass, pianos, synthesizer, strings  
Christine Gangelhoff flute  
Jean Nadeau drums  
Tino Richardson alto saxophone

## LET'S STAY TOGETHER

Written by Al Green (Al Green Music, BMI),  
Willie Mitchell (Irving Music, BMI)  
and Al Jackson, Jr. (Al Jackson, Jr. Music, BMI)

I, I'm so in love with you  
Whatever you want to do is all right with me  
'Cause you make me feel so brand new  
And I want to spend my life with you

Let me say that since, since we've been together  
Loving you forever is what I need  
Let me be the one you come running to  
I'll never be untrue

Let's, let's stay together  
Loving you whether  
Times are good or bad, happy or sad

Why, why do people break up  
Then turn around and make up, I just can't see  
You'd never do that to me  
Stayin' around you is all I see

Let's, we oughta stay together  
Loving you whether, whether  
Times are good or bad, happy or sad

Terry Manning vocals, harmony vocals, guitar

## NOT AT ALL (THE WAY IT USED TO BE)

Written by Terry Manning (Mud Bluff Music, BMI)

If I could see you through the eyes that used to be mine  
Then I could fool myself and whisper everything's going to be fine  
Just the way it used to be with me

If all the clouds before my mind would go away  
Then I could pretend that it's still that long past sunny day  
Before the clouds of time descended upon me

And if I'd only made the time to make you mine  
Instead of playing all those foolish games hiding names  
Oh will you ever know the things my heart could sing to you

And now I tell by reaching out to touch the day  
That all my life is now completely a foundation made of clay

Not at all the way it used to be with me

Terry Manning vocals, piano, tympani, violin, cello  
Christine Gangelhoff flute, alto flute  
Christian Justilian euphonium

## THESE ARMS OF MINE

Written by Otis Redding (Irving Music, BMI and Regent Music, BMI)  
Additional lyrics by Terry Manning

These arms of mine, they will hold you  
And keep you from feeling blue  
These arms of mine, they will protect you  
Yes they'll shield you and carry you through

So if you, if you would let me hold you  
Oh what heaven that would be

These arms of mine, they will shelter you  
They will harbour you from every storm  
These arms of mine, they will comfort you  
They will secure you, and soothe you, and keep you warm

And so if you, if you would let me hold you  
Oh what heaven that would be

These arms of mine, oh they're burning  
Yes they're burning from wanting you  
These arms of mine, oh they're yearning  
They're yearning to hold only you

And so if you, if you would only let me hold you  
Oh my love what heaven that would be

Oh, come on, come on darlin'  
Let's just say what we have to say  
Just be my sweet love  
Let's just do what we have to do  
You need somebody, somebody to treat you right  
Someone like me with lovin' arms to hold you tight

I need your tender touch  
I need your sweet, sweet love so much

These arms of mine, they can hold you so tight  
These arms of mine, they will treat you so right

Wayne Jackson trumpet, trombone  
Andrew Love tenor saxophone  
Howard Grimes drums

and Mike Stoller (Crudup Music, BMI)

I will spend my whole life through  
Loving you, just loving you  
Winter, summer, springtime too  
Loving you, loving you

Makes no difference where I go or what I do  
You know that I'll always be loving you

If I'm seen with someone new  
Don't be blue, don't you be blue

## LIFE IS GOOD ('CAUSE URU)

Written by Terry Manning and Siama Matuzungidi (Mud Bluff Music, BMI)

Life is good, life is sweet  
Everything is at our feet, oh yeah  
When I see your smiling face  
Everything just falls in place, oh yes

And my heart says, "Hey, yea, yeah!"  
Yes my heart says, "Hey, yea, yeah!"

You know it's true  
Yes you do

Well every time that I'm with you  
It doesn't matter what we do, oh no  
'Cause anywhere and anything  
With you's enough to make me sing, oh yeah

And my heart says, "Hey, yea, yeah!"  
Yes my heart says, "Hey, yea, yeah!"

Yes it's true  
You know it's true  
Yes you do  
You know I know you know it's true

And it's all because  
It's just because  
You are you

Well every day that I'm with you  
Is the very best I ever knew, oh yeah  
And every minute we are one  
Is always precious, always fun, oh yeah

And my heart says, "Hey, yea, yeah!"  
Oh oh my heart says, "Hey, yea, yeah!"

You know it's true  
Yes you do

I've never ever laughed so much  
I guess you've got the magic touch, oh yeah  
Telling stories, drinking wine  
Always precious, always fine, oh yeah

And my heart says, "Hey, yea, yeah!"  
Oh oh my heart says, "Hey, yea, yeah!"

Yes it's true  
You know it's true  
Yes you do  
You know I know you know it's true

And it's all because  
It's just because  
You are you

Oh oh heart says, "Hey, yea, yeah!"  
Oh oh my heart says, "Hey, yea, yeah!"

You feel the same way too  
Yes you do  
I know you do  
You feel the same way too

Terry Manning vocals, marimba  
Siama Matuzungidi guitars, bass, drums, percussion
