DEAR BOY

Written by Paul McCartney & Linda McCartney
(MPL Music Publishing, Inc., ASCAP)

I guess you never knew dear boy
What you had found
I guess you never knew dear boy
That she was just the cutest thing around
I guess you never knew what you had found
Dear boy

I guess you never saw dear boy
That love was there
And maybe when you look too hard dear boy
You never do become aware
I guess you never did become aware
Dear boy

When I stepped in
My heart was down and out
But her love came through
And brought me around
Got me up and about

Dear boy

When I stepped in
My heart was down and out
But her love came through
And brought me around
Got me up and about

I hope you never know dear boy
How much you missed
And even when you fall in love dear boy
It won't be half as good as this
I hope you never know how much you missed
Dear boy
How much you missed
Dear boy
